Summer 2021

In the absence of the 2021 summer events programme, it is with great pleasure that the following businesses are being showcased at 'Caerphilly's Online Food & Craft Show', to bring a selection of products that can be purchased direct from the supplier via their online channels!

Caerphilly County Borough Council's Events Team would like to provide visitors with an opportunity to buy some of their favourite food and drink produce which is usually available at the annual events; as well as some of the unique and bespoke craftwork that is also displayed.

Caerphilly County Borough events offers a window of opportunity every year for hundreds of businesses to showcase their products and services to a large audience, ranging from local residents to regional and national visitors.

So, if you've been missing out on the annual purchasing of your favourite tipples and treats or if you were hoping to pick up that unusual gift for a friend's wedding or birthday at one of this year's events then look no further...
