Hello we're Dogs Trust

We love dogs. That's why we do whatever we can to make sure every four-legged friend gets the love they deserve. We'll never put a healthy dog down, so our work is focused on helping dogs in need, supporting owners every step of the walk, and creating a better world for dogs in the future. We are the UK's largest dog welfare charity with 21 rehoming centres in the UK including in Bridgend and Cardiff. We give love, care and undivided attention to around 14,000 dogs each year. We're making tomorrow's world a better place for all dogs and the people who love dogs too. Because we couldn't do what we do without the tens of thousands of you who support us every year. Together, with owners and supporters, we'll never let a dog down and make sure **A dog is for life**®

How A Dog's Trail will support Dogs Trust

A Dog's Trail with Snoopy has received brilliant support from its numerous sponsors in the lead up to the trail. Each sculpture was sponsored by an organisation and the Learning Programme which engaged nearly 70 schools across the region has engaged the future generations of dog owners. In particular, a huge

thank you to our partnership with Peanuts and all of our official supporters.

On 21 June 2022, each Snoopy sculpture will be auctioned off to raise funds for Dogs Trust and help thousands of dogs across South Wales find their forever homes.

Cardiff and Bridgend Rehoming Centres

Dogs Trust has been helping dogs in Wales for more than 50 years through our presence in Bridgend and now with our newest rehoming centre in Cardiff which is set to help 1000 more dogs in Wales each year. The trail's aim is to raise pounds for hounds so that we can continue to improve dog welfare in Wales and beyond.

Our state-of-the-art facilities and devoted canine carers provide the dogs we care for with everything they need to feel happy and safe. Our veterinary and training & behaviour teams ensure that every dog is mentally, and physically prepared to put their best paw forward. We promise to never put a healthy dog down; our priority is to get dogs back on their paws and into a forever home.

We are there every step of the way with Dogs Trust Dog School providing all dog owners with expert advice and practical training to help you and your pooch understand each other better. Our Freedom project supports those individuals and their dogs fleeing domestic abuse, while our Hope Project support dogs and their owners in housing crisis.

We hope this fantastic trail will bring joy to everyone, two legs and four, whilst raising awareness and funds for our vital services, so we can continue to improve dog welfare across the country and find forever homes for those in need.

A Dog's Trail HQ
adogstrail@dogstrust.org.uk

For eight weeks the streets of South Wales will become home to a series of intricately decorated Snoopy sculptures – both big (designed by local, regional and national artists, designers, and illustrators) and small (designed by school children) involving well-known favourites and newly emerging talent. Each sculpture is sponsored by a business or individual and has its own tale to tell, many showcasing South Wales' wealth of artistic talent whilst celebrating that the region has to offer. When the trail ends, there will be chance to wave the sculptures a wacky goodbye at a Farewell Event, before each Snoopy sculpture is auctioned to raise funds for Dogs Trust, which finds forever homes for around 14,000 dogs a year across its 21 rehoming centres all over the UK.

Thank you to all our sponsors, partners and Snoopy sculpture-seekers for helping to bring the trail to life.
