Chef comedy knife throwing show

Chop! is the new show from an experienced street performer. Like nothing you've ever seen in the kitchen before (we hope!). All chefs pride themselves on their knife skills but this one has a whole new approach! In this kitchen of flying knives, things are not quite what they seem. Chef has some unorthodox cooking methods that soon descend into chaos! We can't even imagine what Gordon Ramsay would say!

Serving up an unusual dish is Chef's specialty. What starts as a simple cooking session becomes something very different. Expect a little mess, some magic, great skills, the unexpected, audience participation and many laughs.
