### South Wales Wings

South Wales Wings is a region of the Goldwing Owners Club of Great Britain. The region is open to motor cyclists who ride all models of the Honda Goldwing, arguably the best touring motorcycle in the world. Our members are from all over South Wales from Swansea in the West to Chepstow in the East. The members come from a wide range of professions and many are now retired. Our Wings are solo machines or trikes and we even have a Quad Wing within the Club. As motor cyclists, on the best touring bike in the world, we try to enjoy ourselves as much as we can by visiting our fellow regions all over the UK or we often venture into Europe, we do make some of our time available to others. A large chunk of our annual schedule is taken up supporting our charity in the form of providing static exhibitions of our Wings such as the Bargoed May Fair, charity rides and photo opportunities. In 2014 the region started supporting Blood Bikes Wales (Charity number 1143352), which provides a completely free courier service to NHS Wales - transporting sepsis samples, blood plasma, donated human milk, documents and other items. It provides its services on evenings and bank holidays when the NHS service does not operate. In the last ten years we have raised over £10,000 for the charity.

Come and see the bikes you will be amazed, not only angels have Wings!!"
