Elvish Pressies

This 50s themed Xmas walkabout combines Elvis with Elves to some spectacular period tunes. Cruising on their miniature hot-rods they are the pointy eared leaders of the pack! In-between combing their quiffs and showing off their Elvish moves these two characters will find out what's on the Christmas wish list and where the party's at (right here!) whilst offering advice on how to stay the right side of naughty. Noisy, crazy and a huge amount of fun.
